

Acanto Playa del Carmen Trademark Collection by Wyndham Named 2022 Travellers' Choice by Tripadvisor

Playa del Carmen, MX – May 16, 2022

Once again, the Acanto Playa del Carmen Trademark Collection by Wyndham has received the 2022 Travellers' Choice Award from Tripadvisor. This prestigious award is given to accommodations, attractions and restaurants that consistently earn great reviews from travellers and are ranked within the top 10% of properties on Tripadvisor. "This award isn't just earned by the hotel, but by the wonderful and dedicated

staff and service providers that consistently go above and beyond our guests' expectations.", said Matthew Schilowitz, hotel proprietor. "It is truly remarkable that they have been able to perform at such a high level under such challenging travel and economic conditions."

Playa del Carmen is situated in the heart of the tourist region known as the Riviera Maya and is the gateway and economic hub to many other communities in the area as well as the island of Cozumel. Like many places in the region, it is highly dependent on tourism for its livelihood. The COVID-19 pandemic has made it especially challenging for the local population to maintain a both their incomes and a positive spirit, even with Mexico having fewer travel restrictions than many other areas of the world. Nevertheless, the resilience of the area is reflected in the energy of the merchants, restaurateurs, and hotel operators who have kept things going.

As travel returns and people consider their options for travel in 2022 and beyond, the Acanto Playa del Carmen should be considered in these, particularly for those wishing to spend extended time in a very sunny and warm part of the world when much of it is in a deep-freeze. Its affordable rates and direct booking discounts make it attractive for both young families and Snowbirds looking to maximize their travel dollars. Continental breakfasts are included every morning and the rooms are spacious and comfortable. Each comes equipped with a full kitchen so that meal preparation and cleanup are easy while away. On the other hand, there are dozens of restaurants and eateries on the famous 5th Avenue pedestrian street, so you never need to cook if you don't want to. The abundant nightlife will appeal to partiers and night owls and the hotel's proximity to the beach will make it a pleasure for the sun-seekers. Book direct and save at the Acanto website www.AcantoPlayadelCarmen.com.
